IMPORTANT – Read this carefully before using this product.

HARPO SP. Z O.O. IS WILLING TO LICENSE THE ENCLOSED SOFTWARE TO YOU ONLY IF YOU ACCEPT ALL OF THE TERMS IN THIS LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS, LICENSOR WILL NOT LICENSE THIS SOFTWARE TO YOU, AND IN THAT CASE YOU SHOULD RETURN THIS PRODUCT PROMPTLY, INCLUDING ALL WRITTEN MATERIALS, TO THE PLACE OF PURCHASE FOR A FULL REFUND.

Ownership of the Software

1. The Licensor software program ("Software") and the accompanying written materials are owned by Licensor and are protected by copyright laws, by laws of other nations, and by international treaties.

Grant of License

2. The licenses granted in this Section 2 are subject to the terms and conditions set forth in this Software License Agreement:

(a) Subject to Section 2(b), you may install and use the Software on a single computer; OR install and store the Software on a storage device, such as a network server, used only to install the Software on your other computers over an internal network, provided you have a license for each separate computer on which the Software is installed and run. Except as otherwise provided in Section 2(b), a license for the Software may not be shared, installed or used concurrently on different computers.

(b) For a "Single-User" product license, the Software may be installed and activated on one computer. While the Software may be activated on three computers, use of the collective installations is restricted to one user at any given time. Simultaneous use by more than one user violates this license agreement.

(c) You agree that Harpo, or a legal representative of Harpo may audit your use of the Software for compliance with these terms at any time, upon reasonable notice. In the event that such audit reveals any use of the Software by you other than in full compliance with the terms of this Agreement, you shall reimburse Harpo for all reasonable expenses related to such audit in addition to any other liabilities you may incur as a result of such non-compliance.

(d) **Mandatory Product Activation.** The license rights granted under this Agreement may be limited to the first thirty (30) days after you first install the Software unless you supply information required to activate your licensed copy in the manner described during the activation sequence of the Software. You may need to activate the Software through the use of the Internet or telephone; toll charges may apply. There are technological measures in this Software that are designed to prevent unlicensed or illegal use of the Software. You agree that Harpo may use those measures and you agree to follow any requirements regarding such technological measures. You may also need to reactivate the Software if you modify your computer hardware or alter the Software. Product activation is based on the exchange of information between your computer and Harpo. None of this information contains personally identifiable information nor can it be used to identify any personal information about you or any characteristics of your computer configuration.

Restrictions on Use and Transfer

3. You may not copy the Software, except that (1) you may make one copy of the Software solely for backup or archival purposes, and (2) you may transfer the Software to a single hard disk provided you keep the original solely for backup or archival purposes. You may not copy the written materials.

4. Other than with respect to an "Evaluation" version of the Software, you may permanently transfer the Software and accompanying written materials (including the most recent update and all prior versions) if you retain no copies and the transferee agrees to be bound by the terms of this Agreement. Such a transfer terminates your license. You may not rent or lease the Software or otherwise transfer or assign the right to use the Software, except as stated in this paragraph. You may not sell or transfer any Evaluation version of the Software.

5. You may not reverse engineer, decompile, or disassemble the Software.

Limited Warranty

6. Licensor warrants that the Software will perform substantially in accordance with the accompanying written materials for a period of 90 days from the date of your receipt of the Software. Any implied warranties on the Software are limited to 90 days. Some states do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you.

7. Licensor disclaims all other warranties, either express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and non-infringement, with respect to the software and the accompanying written materials. This limited warranty gives you specific legal rights. You may have others, which vary from state to state.

8. Licensor's entire liability and your exclusive remedy shall be, at licensor's choice, either (a) return of the price paid or (b) replacement of the software that does not meet licensor's limited warranty and which is returned to licensor with a copy of your receipt. Any replacement Software will be warranted for the remainder of the original warranty period or 30 days, whichever is longer.

9. This Limited Warranty is void if failure of the Software has resulted from modification, accident, abuse, or misapplication.

10. In no event will licensor be liable to you for damages, including any loss of profits, lost savings, or other incidental or consequential damages arising out of your use or inability to use the software. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.
